DETAILED ACTION

Allowable Subject Matter

1. Claims 1-9 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art of record teaches a refilling apparatus for refilling toner in to a toner cartridge comprising a movable sealing disc, a thin rupturable membrane, and a piston device for contacting and moving the sealing disk from one end toward a second end of the thin rupturable membrane to dispense the toner into the toner cartridge.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
